KEYNOTE ADDRESS AFIGA HON OLO FITI AFOA VAAI, MINISTER MWTI | OFFICIAL
OPENING OF THE NEW VIP LOUNGE AT FALEOLO INTERNATIONAL AIRPORT TERMINAL

Friday, 27th September 2024

- Reverend Ionatana Tupolo,
- Honorable Acting Prime Minister, and Ministers of Cabinet,
- Members of the Diplomatic Corp,
- Ladies and gentlemen,

Talofa lava & Good Evening...

It is my honour and privilege to welcome all of you today to the Official Opening of the Newly built VIP Building, here at Faleolo International Airport.

In today's world, airports are not just gateways to our beautiful islands; they are the first impression visitors have of Samoa. It is a place where comfort meets efficiency; where every traveller, whether a dig-ni-tary or a tourist, will feel the true essence of Samoan hospitality.

It is not just about the infrastructure; it is about the broader vision of reaffirming Samoa's position as a key player in the Pacific aviation landscape.

HISTORY OF CONSTRUCTION DEVELOPMENTS

The cost for the New VIP lounge amounts to approximately \$11.2 million tala; fully funded by the Samoa Airports Authority.

The construction started in November 2023, and was officially completed August 2024, carried out by Zheng Construction Company. The design and overseeing of the project's progress was executed by SUCON Consultancy Ltd.

This facility is not only appealing but also capable of accommodating a larger number of visitors of up to 300 individuals, compared to the former VIP Lounge, which could only house a maximum of 50 guests.

This new VIP Lounge and associated works, showcases the architectural beauty that embodies our rich culture & heritage.

As we look ahead, our focus remains steadfast on improving connectivity, fostering economic growth, and promoting tourism. This new VIP is a cornerstone of these efforts.

It will serve as a hub for important discussions, collaborations, and partnerships that will drive Samoa's progress and prosperity.

In conclusion, I wish to thank the Samoa Airport Authority Board of Directors & Management for their vision, and the staff for the successful execution of this remarkable project.

I would also like to thank the Government for championing this project from the very beginning. Your belief in our aspirations has been instrumental in making today a reality.

We also extend our heartfelt gratitude to our communities and our nation for the support and prayers, which continue to fuel our drive for a better Samoa.

Once again Ladies & Gentlemen, your presence here today signifies your commitment to our shared goals. Together, we can inspire innovation and drive positive changes.

I now, hereby declare this newly blessed VIP Lounge, OPEN!

Thank you all for coming.

Soifua ma ia Manuia.
